VICTORIAN SCHOOLGIRL CHAMPIONSHIPS TO ALTONA NORTH HIGH

Fifteen girls from Altona North High School competed at the recent Victorian Schoolgirls Athletic Championships at Royal Park West on Saturday, April 4.

Overall the school gained three 1st placings, one 2nd placing, three 3rd placings, two 4th placings and one 5th placing.

This impressive result was brought about by the success of several girls. Gayle Proud won the Girls Under 14 shot putt with a putt of 35'11 1/2".

Gannina Sardi came 1st in the Under 15 discus throwing 104'8".

Jenny Davidson came 1st in the Under-15 long jump with 15'9 1/2" into a strong head wind. Jenny also filled 2nd placing in the 100 m. final in 12.6 sec. and 3rd in the High jump with 4.6".

Jenny Taylor finished 3rd in the Under 12 70 m. final and 3rd in the long jump clearing 11'9".

The efforts of these girls along with the rest of the squad enabled the school to win for the third time the Victorian Schoolgirls Championship for the greatest number of points gained by any one school in the championship.

The school's impressive results since 1964 are — Winners of the shield in 1964, 1965 and 1970; runners-up in 1967, 1968 and 1969.

Sewerage Urgency

Hon. A. W. Knight recently asked two pertinent questions in the Legislative Council.

When will Altona be completely seweraged? What action is being taken to stop pollution from creeks and streams?

The reply from the Minister for Local Government, Mr. Hamer, said:

"The Board is proceeding progressively with the task

at a rate determined by the allocation and availability of loan funds.

"In addition, several areas have been sub-divided in recent year and development is still proceeding in these areas.

"Completion of sewerage in Altona, therefore, partly depends also on the rate of sub-division and development within the municipality, and it is not possible to predict precisely when the task will be finished.

"The provision of a sewerage service for the area is the essential requirement to stop pollution of the creeks and streams in the area.

"To date, the Board has spent some \$4,143,000 since November, 1966, in providing such services, including the provision of a new treatment plant."

UNDEFEATED BASKETBALLERS

The ANTS basketball team playing Under 16 in B grade in the Victorian Junior Amateur competition on Friday nights and undefeated in the seven games played this season appear to once again have a hold on a place in the final four.

Last year playing in the Under 16 C Grade the boys won both the summer and winter pennants.

Members of the team coached by Mr. Bill Barlow, Snr., of Railway Street, Altona, are Jim Griouos, Wayne Tribe, Michael Carroll, Garry Walsh, Ian Thompson and Ian Barlow. In their last match they defeated Coburg 51-25.

Originally the team started at Altona North Technical School and comprised all school students. Most of the present players are still at the school.

This is their fourth year in the Victorian competitions. The first two seasons were played with the Under 14's.

Next year all the players will still be eligible for Under 16.

Rates Reminder

Ratepayers have only till this Friday to pay the current year's rates without interest. After Friday interest dating back to last December will be added to outstanding accounts.

Teachers Go On Strike

Altona High was left with only six teachers yesterday afternoon when 21 others, members of the Victorian Secondary Teachers' Association, went out on strike at 1 p.m. in protest against an unqualified craft teacher being employed at the school. They all returned to work this morning (Wednesday).

Mr. C. J. Harris, president of Altona High's branch of the V.S.T.A., said today that the teacher is a fully credited tradesman but does not meet the standards of qualifications required.

The V.S.T.A. is trying to accept only people who with one further year of training will meet fully the Education Department's qualifications, said Mr. Harris.

He said yesterday's half-day stoppage was with the approval of the Association and the branch can go no further without permission from the Central Committee.

"It is easier to become a teacher than a real estate salesman or a newsagent and we take more care of the effluent flowing to Werribee than our children. A plumber must be qualified before he can touch the sewerage pipes but a person does not need to be qualified to become a teacher," commented Mr. Harris.

Luncheon For Princess Anne

Mr. W. A. R. Dyer, of Romawi Street, Altona, is among the guests at today's Youth Luncheon for Princess Anne. Mr. Dyer is a member of the executive committee of the Youth Club of Victoria.

BROWNIES MEET PRINCESS

Several district guides and brownies were selected to attend the function for Princess Anne on Monday at Guide Headquarters in Russell Street, Melbourne.

Girls lucky enough to be chosen by Region Commissioners included brownies Jennifer Weaver (Seaholme), Robyn Torr (Yarraville), Linda Wilkes (Newport) and Pamela Thornton (Spotswood) and guide Lynnette Pinckney (Williamstown).

Ten-year-old Jennifer Weaver, only daughter of Cr. and Mrs. Harry Weaver, was in the front row of the guard of honor for Princess Anne and clearly saw her as she entered and later left the building.

Excited Jenny was able to describe everything worn by Princess Anne even down to the buckles on her shoes.

Returned Servicemen March On 19th

The march in Altona this year of returned servicemen and women will be held on Sunday, April 19, beginning from the Returned Servicemen's club rooms in Sargood Street and finishing at the Civic Centre where there will be a short service.

The Mayor of Altona, Cr. Pat Burns, along with available councillors will be in attendance.

Marchers should wear medals.

On Anzac Day, April 25, the Dawn Service will be at 5.30 a.m. from the club rooms. The club will open earlier for coffee.

Land Auction Realises \$211,000

All 47 home sites offered for auction last Saturday in Bell Street, Altona, were sold for an overall total of \$211,000. More than 250 people attended the sale. Prices ranged from \$4200 to \$5650 with an average of \$4400.

COUNCILLORS MEET HER MAJESTY

The Mayor of Altona, Cr. Pat Burns, and Mrs. Burns were among the fortunate people who actually met the Queen and Prince Philip at the State Reception at the Exhibition Building on Monday night. And they also spoke to Princess Anne.

Others connected with Altona noticed among the guests were the Hon. A. W. Knight, M.L.C., Mrs. Knight and their son and daughter, Robert and Kerry, Mr. Larry Floyd, M.L.A., Town Clerk Mr. Jim Waters and Mrs. Waters, Cr. Les Crofts and Mrs. Crofts, Mr. and Mrs. L. C. Noordenne, Mr. and Mrs. Harry Warren (Aust. Carbon Black), Mr. and Mrs. Don McIntyre and Mr. and Mrs. John Bacon.

After the reception of the Royal party by the Premier and other State dignitaries, the Royal visitors broke off to meet the guests.

Prince Philip, whilst walking along a row of people, noticed the Altona Mayor's medallion which Cr. Burns was wearing. He made his way through the crowd and asked the Mayor details of Altona.

Later on, in the evening when the Royal party was retiring the Queen was introduced to the Mayor by the Premier, Sir Henry Bolte. Her Majesty inquired as to the location of Altona. The Mayoress, Mrs. Burns, was also presented to Her Majesty. At that time, Mrs. Noordenne, chatting with the Mayor and Mayoress, was also presented to the Queen. Her Majesty inquired as to the health of the Mayoress and departed.

Altona North Police Station

It is intended to build a police station in Altona North.

However, until the new Loan Works Program is announced it is not known if it could be in the 1970-71 year or not.

A question in the House from Hon. A. W. Knight received the following answer:

"The proposed building is included in the Loan Works Program for the financial year 1969-70 for design development, and the project has been included in the proposed Loan Works Program submitted by the Police Department for the financial year 1970-71.

"However, until such time as the Loan Works Program for the financial year 1970-71, is determined by the Treasury, it is not possible to say when funds will be made available for completion of this project."

A few minutes later the Hon. William Borthwick, who was escorting Princess Anne, noticed the Mayor and presented him and the Mayoress to Princess Anne.

The Mayor advises the Star that the function was very well conducted — a well-dressed and most impressive night's activity and, of course, to meet three of the four Royal visitors was indeed an honor which he will not forget.

R.S.L. Seeks New Members

Altona Branch of the Returned Servicemen's League is seeking new members.

Any person who has been on active service may be eligible to join, and if not already a member is asked to please contact Bill Draper on 388-2817.

Next dance in the club rooms will be on Saturday, April 18.

Members can bring their friends. Excellent supper and prizes will be provided. Dancers bring their own supper.

An organised sports afternoon from 12 to 2.30 p.m. will be conducted on Sunday, April 26. Wives of members will be welcome. A meal is provided.

Laying Of Foundation Stone

The Foundation Stone for St. Eanswythe's Parish Centre is to be laid next Sunday, April 12, at 9 a.m.

Bishop Arnott, Bishop Coadjutor of Melbourne, will celebrate Holy Communion, preach, and lay the Foundation Stone. All parishioners are invited to share this historic event and inspect the current progress of the Centre.

This is also the day of the Parish Picnic, and the Bishop will join in for the day. It will be held at the You Yangs and parishioners are invited to gather at the You Yangs picnic ground in time for lunch and the races and games of the afternoon. Signposts will direct parishioners from the turn off on Geelong Road right up to the picnic site.

Altona Boys Win Medals At Victorian Championships

Paul Curran (second from left) of St. Mary's Club competing in the boys under 10 400 metres State title at Olympic Park on Saturday ran brilliantly to win the gold medal for this event.

Garry Thompson of Altona North won a silver medal for second placing in the boys under 11 800 metres walk.

Both boys brought great credit to themselves in personal achievement, to their parents, their clubs, and the Altona community, and were to be congratulated on a very fine performance said the Mayor Cr. Pat Burns in his opening address at the Altona L.A.A. presentation night on Sunday.

PIPELINE COMMENT BY W.A.G.

Commenting on the Victorian Government's decision
not to permit the proposed
crude oil pipeline from West-
ernport to Altona and Geelong
to cross any section of
Port Phillip Bay, a spokes-
man for W.A.G. Pipeline Pty.
Ltd. said recently: "We must
accept the fact that the Gov-
ernment has a role to play
as a watchdog of the rights
of the community as a whole
and as such has stated its
intention to ensure that any
risk of polluting the Bay is
avoided."

"Throughout our negotia-
tions with the Government,
with Bayside Councils and
other interested parties we
have openly presented our
case in plain terms and with
complete technical accuracy."

"In all common sense we
could not give an absolute
guarantee against the remote
possibility of a leak in the
pipeline occurring — nor can
any similar guarantee be
given against the possibility
of some other form of oil
spill occurring."

"We still firmly believe,
however, that the safety fac-
tors planned for the project
minimised any risk of pollu-
tion and, in fact, ensured
that there would be less risk
of pollution than alternative
forms of transportation."

"Our efforts to win approval
for the Bay crossing having
failed with a resultant delay
of many months to comple-
tion of the project and con-
siderable additional costs
arising from that delay, the
task ahead is to examine
possible land routes for the
pipeline that may be feasible."

"This task will be expedited
with, we trust, the full co-
operation of all concerned,
including the opponents of our
original proposal."

'Wanted To Go To Gaol'

A youth who "wanted to
do something bad and go to
jail for a few years" was
fined \$50 in Williamstown
Magistrates Court on Friday
for throwing a bottle through
the window of the Altona
State Savings Bank.

The youth, Raymond Wil-
liam Weeks, of Walters
Drive, Altona, was ordered
by Mr. A. Pfeifer, S.M., to
pay an additional \$38 to
cover the cost of replacing
the window.

He was also convicted of
being drunk and disorderly,
and discharged.

Constable B. L. Stringer,
of Williamstown, told the
court he had observed Weeks
staggering along the foot-
path in Pier Street, Altona,
on the night of March 31
carrying a bottle in his
hand.

He had then seen Weeks
throw the bottle through a
window at the north end of
the bank on the corner of
Railway Street.

Extra Court Sitting In May

The Williamstown Magi-
strates Court will sit for two
days a week, beginning in
May, to relieve the pressure
of cases on the present one
day sitting.

Civil matters will be
heard on Wednesday and
police matters on Friday.

The present system of
having two divisions of the
court operating at the same
time, one presided over by
a Magistrate and the other
by Justices of the Peace,
will be retained on both
days.

EDITORIAL

TWO QUESTIONS

Obviously called for by the announce-
ment of the decision not to allow a Bay
oil pipe line are two questions. Questions
of extreme importance to the people of
Altona.

The first is simply "Did the Govern-
ment, in making this decision, have
before it an assurance that a land route
pipe line was entirely feasible?" In spite
of general impressions, there is
some doubt if this is the position. If by
any circumstance a land pipe was not
possible, then the oil transport, in view
of the Government decision, would be by
tankers. And of course any disadvantage
of a Bay pipe line would be equally or
more evident in a tanker service.

The other question is based on the
sole reason given for the refusal, "The
possibility, however small, of the line
causing pollution". A statement quite
reminiscent of the decision over the
Carrum sewerage effluent problem. The
question, does the Government intend
to establish this policy of guarding
against contingencies "however small"?

Quite recently, Cr. W. L. J. Crofts of
Altona led a most influential deputation
to the Minister for Local Government,
Mr. R. J. Hamer. They put a most docu-
mented case against Altona effluent.
Data was presented from Government
correspondence and other sources show-
ing not only the possibility "however
small" of health hazards and bay pollu-
tion, but their extreme likelihood.

The Government, having almost es-
tablished by the Carrum and pipe line
decisions its "however small" policy, to
be consistent, must now reject the
Altona bay effluent.

Silver Wedding

Relatives and close friends "descended on" the home of Betty and Colin Glennon in Maidstone Street, Altona, last Saturday night as a surprise party to celebrate the Glennons' 25th wedding anniversary.

Then followed a happy evening, enjoyed by all.

Altona West Mothers' Club

The Altona West State School Mothers' Club will hold a Mardi Gras demonstration at the home of Mrs. Haining, 16 Spear Court, Altona, on Tuesday, April 14, at 10.30 a.m. All mothers are welcome to attend. A light luncheon will follow. Donation 40 cents.

Gay Night At Square Dance

At the "Come as you are" dance at the Altona Square Dance Club last Thursday, a lot of fun was had, with Mary Milner, obviously having been caught in the shower, entering into the spirit of the evening by going along in her towelling robe, and believe it or not, her own private shower.

The Footscray dance to be held this Saturday night, April 11, in the Scout Hall (at the rear of the station) is a special party night with lots of novelties, monte carlos and prizes throughout the evening.

There will be a Victorian convention at Warburton Chalet soon and those people going are looking forward to a weekend in the country with plenty of walking, eating and dancing.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Parade from 8-11.15 p.m., to the calling of David Hooper. Ring 398-2708 for further details.

Altona Camera Club

The results of the March competition which had an "Action" theme have been announced and are as follows:

Beginners: black and white, 1st, John McMillan; 2nd, Joyce Thornton.

Colour: 1st, W. Kelly; equal 2nd, A. Jatonson and W. Kelly.

The April competition is "Open", any subject of own choice. Entries for this month to be handed to the print steward on April 17.

The Camera Club's next meeting on Friday, April 10, is a model night, so do bring your camera along. These nights in the past have been very popular and give an opportunity for more practical work.

The Altona Camera Club meets every Friday of the month (except the first) in "The Homestead", Queen Street at 7.30 p.m. For further details ring 398-1937.

CUB NEWS

A Walkathon was held on Good Friday by the 1st Altona Cub Pack for the Royal Children's Hospital. They started at Footscray Railway Station and ended at Dorcas Street, South Melbourne. \$140 was raised with this effort.

Paper Drive

Altona Presbyterian Church will be conducting their regular paper drive on Saturday, April 18. Anyone wishing to have papers collected could ring Mrs. Marks on 398-1747 or Mrs. George on 398-1140.

Monster Fete

Come and enjoy the carnival atmosphere next Saturday, April 11, between 9.30 a.m. and 4 p.m. at the Altona High School Parents and Citizens biennial fete at the school in Civic Parade. Proceeds to go to the assembly hall fund.

A variety of goods will be on sale — cakes, groceries, clothes, fancy goods, old jewellery and much more.

Refreshments available will include teas, soft drinks, pop corn, ice cream.

Have your car washed! Use the child minding centre!

There will be train rides, mini golf, discotheque, drive a nail; see the bounce ball demonstration by Brandon Edwards from Sunshine.

If you have goods to donate these may be delivered to the school on Friday from 7.30 a.m. till 10.30 p.m., on Saturday from 6.30 a.m., or arrangements can be made to pick them up, ring Mrs. Holmes at the school 398-1301 or contact Mr. W. Haining, 16 Spear Court, Altona, 398-2353.

Altona Historical Society

The Altona Historical Society will hold their next meeting on Wednesday, April 15 at "The Homestead", 128 Queen Street, Altona at 8 p.m.

One of the topics to be discussed is the display to be held in November on "Land Development in Altona". Members are also asked to give some thought to the display in March of next year.

The Society's Museum will be opened to the public on Sunday, April 19 from 2-4 p.m.

Walkathon

Six girls and two leaders from the Altona Baptist Girls' Fellowship participated last Saturday in a Walkathon following the tan track around the Botanical Gardens.

They were among several hundred from Baptist Girls' Fellowships all over Melbourne. The purpose of the Walkathon was to raise money for their Missionary Fund and for the Christian Education Department of the Baptist Union of Victoria.

The total raised by the Altona girls and their leaders was \$177.50.

School Captains

Morgan Campbell and Paul Wisler have been invested as school captains of Altona West Primary School.

At a recent school assembly the Vice Principal, Miss D. Palmer, presented the captains with their badges.

Local Guides Visit Govt. House

Once again guides from the West Metropolitan Region took part in the recent Government House Youth Garden Party at Government House.

Mrs. Faichney, District Commissioner for Altona North, took 40 girls in from the Region and the day was most rewarding.

"Cents for Service" week, formerly known as "Willing Shilling" week before the advent of decimal currency, will be held in this Region from April 11 to April 18 when the girls from all branches of Guiding will be busy working to raise funds for the Guiding Movement.

Altona Primary School —

TRAIN OF KNOWLEDGE

Older students of the Altona Primary School went on a five-day train trip in March into Central and Northern Victoria. A similar trip was held last year and judging by the success of these events, there will be a demand for more.

An account of the excursion is given exactly as written by Sharon Kube, one of the pupils on the Train of Knowledge.

MONDAY, 2nd MARCH

Spencer St.—Ballaarat — Eureka.

Impressions about the train.

When the train is moving it is very hard to walk along the passage. The bunks are very comfortable and easy to sleep on. The food is very tasty to eat, but there was a few things I didn't like. The waiters are very friendly.

Eureka

At Eureka there is a lake with a park about it. In there was a few swimmers. There was also a lot of yabbies. There is a Eureka Military Museum right near Montrose Cottage. In the museum there is many different types of guns and rifles. There are also many pictures.

Montrose Cottage

Montrose Cottage was built in 1856. It is still standing today. It is a very neat little house with four rooms. Three reasonable bedrooms and a kitchen.

Ballaarat Gardens.

At Ballaarat there is the most beautiful Begonias. They are all arranged beautifully in a big sun house. There is many different colors and they are so big some look like they are made out of paper.

Sovereign Hill

There is a place at Sovereign Hill where they are rebuilding a very old mining town. On it there is a looking place. We all got out and had a look.

Tram ride

The tram we went on travelled one million miles on the 28th of June 1968. We travelled up Victoria Street and Sturt Street. It was terrific fun, but it was a bit jolting.

Ballaarat

At Ballaarat we all went for a swim. It was after tea that we went. There was a small diving board at the end. The pool was deep enough to dive.

TUESDAY, 3rd MARCH

Eureka — Castlemaine — Bendigo

Chewton

At Chewton we saw the goldfields. Also we saw a gigantic water wheel. We saw the Duke of Cornwall mine too. We saw the biggest Red Gum tree in Victoria. There is a slight hill with about one hundred graves. There were some of very young children.

Epsom Pottery Works

Epsom Pottery Works is my favourite thing on the T.O.K. It was fascinating to watch the man made for us a wine jug, sugar basin, an ashtray and a milk jug. After he had done that he made a top for the sugar basin. He doesn't measure it, he just guesses the size.

Epsom Rural School

At the school there is only 58 children and two teachers. A man and a woman. The woman teaches grade one, two and Preps. The man teaches grade three four five and six. There are only two rooms in the school.

Bendigo

At Bendigo we went for a swim at the Olympic Pool. There was four diving boards at this pool. Two of them were tremendous.

Fancy Dress Party

At the Party we played lots of games. There were some for boys, and some for girls. Some games we played together. We also sang lots of songs. Some songs we danced to. After that we had some food. We had a little plate of food and a bottle of softdrink. There was some very pretty costumes and some very funny ones.

WEDNESDAY, 4th MARCH

Bendigo—Echuca

Crossing the Border

Each person got into a bus and we crossed the border into N.S.W. At the border was a fruit fly stop. The bus driver beeped the horn, to tell the men we were just going over and back.

Orchard

The man at the orchard is named Mr. Brown-Graham. They grow apples pears and peaches. We all if wanted, had two apples. They were very sweet and juicy. Then he took us into the orchard and a man showed us how he picked pears.

Friesian Stud

At the Stud he has about 150 cows. Eighty are used for milking. He let us sit on his haystack while he told us some things. The man's name is called Mr. Gardiner. He owns Watsonia Stud.

Picnic Lunch

Mr. Gardiner was very kind to us. So were the other people. He let us have our picnic lunch on his front lawn. We each received two rolls, some meat and a Sunny Boy.

Horse Stud

The man at the Horse Stud is Mr. English. He has seventeen of his own horses. Race horses that need a rest go to his farm.

Rice Mills

At the Rice Mills we saw all the machinery. The things that make the bags and fill them up. Then they showed us where they clean it.

Paddle Steamer

Each person on the boat had a turn to steer. If they did they got a certificate.

Concert

People volunteered for the concert. We all sang songs. People told poems too.

THURSDAY, 5th MARCH

Echuca — Tangala — Kyabram — Shepparton

Model Dairy

At the Model Dairy when they get the bottles they sterilize them. They have about 150 cows. There is the Herringbone system where they milk sixteen cows at a time, while the other system they milk eight.

Tongala Milk Factory

We saw sheets of milk that looked like paper. There was cans being filled and cans being made. Then we saw an enormous new machine in the Blue Room. They gave us a jar of honey and a tube of milk.

CHEMIST DIES

Mr. J. P. McCoy, well known to many Altona people, died suddenly last Wednesday at his home at "Treetops", Point Lonsdale.

At the time of his death he had been employed for 22 years by Mr. Ian Herbert at his pharmacy in Pier Street where Mr. McCoy lived during the working week and became known to many locals.

Prior to coming to Altona Mr. McCoy conducted a pharmacy at Queenscliff for many years.

He leaves a wife, a 21-year-old daughter and a son 19.

K-Y

At Kyabram Preserving Company we saw them bringing in the fruit in large boxes. Then they were washed and peeled and cut in half and quarters. Then they were canned.

G.M.V. 6

We went up the stairway and saw many types of machinery. There are things that you see about five of the pictures of what there taking. Then we saw pictures of ourself on the television.

Shepparton Art Gallery

We saw many different types of pictures there. There's some of the country side and some of which everyone had a different idea about. Then man told us about the other paintings.

Shepparton

At Shepparton there is a swamp made into a swimming pool. We all ran round it. But the whistle blew when we were only half way round so we rushed back. We all had supper at the Council Chambers. Fourteen dozen cakes were eaten in about 5 minutes.

FRIDAY, 6th MARCH

Shepparton—Melbourne

S.P.C.

At S.P.C. that day they were preparing pears and peaches. They were washing them and peeling them. Then they were cut and went along a conveyor belt and the ones with hail marks were picked out.

Cleckheaton Spinning Mills

At the mills they buy the wool dyed. It goes through machines to strengthen and thin out the wool. There are lots of different colours. We got a bit of wool that we pulled and twisted.

Radio Australia

The masts in the ground are used to transmit programs on radio from Melbourne to many overseas places.

Albanian Mosque

At the church you must take your shoes off before you go in. People go there to pray nearly every day.

Preparing to go home

We had to take the sheets off the bed. Then we piled all the blankets on the top bunk, and took the pillow cases off. Then we had to pack our cases. I don't know how Mum ever got all those clothes in the case. Then the lower bunk was turned into a seat.

Homecoming

We got out of the train and dragged our cases to the bus. It took a while to get back to the school. I think we were glad to see it.

HELLO GIRLS,

They're here! Homy-ped Sandals. With every step homy-ped massage your feet naturally, stimulates blood circulation, helps improve your general health and disposition. This new footwear is especially made for home and beach. Sizes and colours for the whole family. Homy-peds provide healthy growth in children's feet, relaxing massage for the overworked feet of you, the woman of the house, and help our menfolk rest and relax after a hard, long day's work. Try them on, so light, so comfortable.

Have a look at your make-up sponge, puff or brush. Could it do with a clean? See how much smoother, more evenly your make-up goes on. Or is it past its day? Try a natural sponge. Different type of puff. The new look is a no-make-up look. A soft brush achieves this. Again, soft new lips. Secret Success, a lip brush with a slightly darker shade. Beautiful lips.

Having trouble obtaining a fine enough line on your eyes. We can show you fine sable brushes that cost a little extra but then they last a lifetime. Brush on hat highlighting check colour.

Troubled with extra curly hair? Why? Ever thought of doing something about it? So simple with Curl Free. A natural curl relaxer, retain the natural body but lose the fuzzy. Get true hair-styling freedom for the first time. You'll find you can now wear any hairstyle you like. Smooth styles stay smooth. Sets won't frizzy up, even in dampest weather. Just a perm in reverse. No rolling.

Need a boost? A lift? Try a new perfume — Chanel No. 5. Shalimar or Jicky by Guerlain; Jolie Madame by Balmain; Canoe, Emir, Ambush and Tabu by Dana; Arpege by Lanvin—spray, perfume and toilette. Faith's Love by Jacques Faith. Beautiful Patra. Shocking by Schiaparelli. Fete by Molyneux. Gres-boxed together, perfume and eoude toilette by Cobochoard.

How many of these have you known? Bye.

1st Seaholme Brownies

A very warm welcome to the following new Brownie Guides who were enrolled on Thursday, April 2:

Lisa Munn, Sharon Smith, Debra Leech, Sonja Smith, Carolyn McCauley, Julie Cassar, Carol Brown, Julie Van De Graaf and Susan Gunther.

Many parents and friends attended the enrolment and made it a very happy occasion.

Some of our girls have been working hard for the Interest Badges. Badges gained so far this year are as follows:

SWIMMERS. — Christine Harrison, Jenny Weaver, Kristine Andrew, Helen Douglas and Lyn Dryden.

HOSTESS. — Lyn Dryden.

HOUSE ORDERLY. — Helen Douglas.

ATHLETIC. — Kristine Andrew, Lyn Dryden, Janis Brown, Helen Douglas, Jenny Weaver.

NEEDLEWORK. — Helen Douglas.

At present we are working towards our First Aid Badge and would like to thank Mr. and Mrs. Andrew for their time and help in instruction and testing over the past few weeks.

A very sincere thank you also goes to Mr. J. Byrne of the Altona Life Saving Club. Mr. Byrne gave his time on Saturday morning to instruct the Brownie Guides on the method of mouth to mouth resuscitation.

Seven Brownies, five mothers and one father attended this interesting and informative talk.

All Brownie Guides would like to thank Mr. Dryden for making and erecting a shelf for them in the Guide Hall. The shelf will be used for

Engagement

Mr. and Mrs. John Willett of Parkside Crescent, Seaholme, have pleasure in announcing the engagement of their only daughter, Pamela, to John, only son of Mr. and Mrs. H. Charles of Toorak.

Last Sunday friends of the couple celebrated at a party at John's flat in Malvern.

First Meeting For 42 Years

Six sisters including one from Altona will all be meeting together today for the first time in 42 years.

Over the years they have visited each other individually but have not all met at once, said Mrs. W. Tisdale of Maidstone Street, Altona. The other sisters are Mesdames N. Melville (Victoria), M. Padget and M. Pittcock (Queensland), A. Herring and J. Spencer (Kalgoorlie, Western Australia).

displaying various articles, etc., made by our Brownies.

The Pack is greatly excited by the news that Jennifer Weaver has been chosen to meet H.R.H. Princess Anne at Guide Headquarters on April 6.

In conclusion, a reminder that "Cents For Service" week will be held from April 11 to 18. Why not save all those little jobs for our Brownie Guides and Guides who will be calling on you. Money collected goes toward the continuation of the Guide movement.

LOCK YOUR DOORS WHEN YOU DRIVE

A good many drivers religiously lock all the doors of their car against the possibility of theft when leaving the vehicle parked, but expose themselves to death or injury by travelling with the car doors unlocked.

Even when a seat belt is being worn, the car door should be locked. Many instances show that if a door jumps open in a sideswipe accident, the driver or passenger may fall partly out

Locking the doors provides an additional protection by preventing an intruder from jumping into the vehicle when it is stationary.

Immigration A Success

Few countries have sought migrants so actively, so successfully and on such a scale as Australia has done during the past quarter of a century, the Minister for Immigration, Mr. Phillip Lynch, said today.

"Australia's immigration programme is an integral and essential element in our national policies of economic growth," he said.

"It is deliberately and carefully structured to the needs and opportunities of those policies."

Addressing a naturalization ceremony at Moe, the Minister, said that Australia's immigration motives derived neither from fear or from arrogance.

"We do not look to this economic growth as an end in itself.

"We see it instead as a means of progressively contributing to the cultural and social aspects of what has been aptly called the quality of life in Australia.

"It is seen also as increasing our capacity to contribute to the prosperity and progress of other nations.

"The objectives and achievements of Australia's immigration programme can therefore be neither expressed nor measured solely in terms of its material economic results.

"Other factors, however intangible, are also important and are recognised by the Government to be important.

"One of the means by which our success in achiev-

Bon Appetit

Proceeds of a "Bon Appetit" demonstration will assist local Guides and Brownies.

ing the non-economic objectives of immigration can be gauged relates to the willingness of migrants to become Australian citizens.

"It is neither a complete nor perfect measure, as the factors intrude, but it does provide a useful guide."

Mr. Lynch said that the history of Australia is already crowded with the names of men and women whom we are proud to call Australians, and who were proud to call themselves Australians, who were born in other lands.

"Your Certificate of Naturalization is, in a very real and important sense, a declaration of rights," he said.

"One of the great truths and great strengths of citizenship in a democracy is that we are concerned to protect the rights of others and that in protecting their rights, we also preserve our own.

"For these reasons the preservation of the rights of citizenship require of us a personal involvement in the affairs of our nation.

"As Australian citizens, you now have the right to participate fully in shaping the sort of nation which you would like this land of ours to be," Mr. Lynch said.

Altona Rotaract Club Formed WEST GATE BRIDGE TO BE EQUIPPED WITH COMPUTERISED CONTROL

The Provisional Rotaract Club of Altona was formed at a dinner meeting on Friday April 3.

This interesting meeting was convened at Shirley Park Reception and was attended by 38 prospective Rotaractors as well as Altona Rotarians and their wives.

The acting president of the Rotary Club of Altona, Pie Beecham, presided with Dr. John Leyden as chairman. During the dinner four guest speakers addressed the meeting.

The speakers were Miss Lyn Lloyd, president of the Rotaract Club of Essendon, Mr. Andrew Gibson, also of Essendon, Miss Kaye Johnstone, president of the Rotaract Club of Keilor and Mr. Peter Ford, president of the Rotaract Club of Coburg.

The speakers outlined the various aspects of Rotaract within the community and internationally. They described projects which their respective clubs had already completed, stressing the enjoyment they had derived while being of service to others. Activities for orphans, spastic children and pensioners were described as well as projects aimed at achieving understanding in an international sphere.

A lively question time followed to complete the program for the evening. All the speakers congratulated Altona and conveyed their best wishes for a successful formation.

A motion was unanimously carried that the Provisional Rotaract Club of Altona be formed. The time and venue of the next meeting will be announced as soon as arrangements are finalised.

Sir William Kilpatrick, Chairman of Business Equipment Holdings Ltd., made the following announcement this week:

Melbourne's West Gate Bridge is to be equipped with the world's most modern toll collection and traffic surveillance system.

Due for completion early next year, the eight-lane West Gate Bridge initially is expected to carry 30,000 vehicles a day, increasing to more than 100,000 vehicles a day in 1985.

With an overall length of 8500 feet and a maximum width of 122 feet, it will be Australia's longest and widest bridge complex, and will have a surface area two and a half times greater than that of Sydney Harbour Bridge.

The contract, worth approximately \$1.4 million, for the complex toll and traffic surveillance system, which will utilise a computer, has been awarded by the Lower Yarra Crossing Authority to Melbourne-based Business Equipment Holdings Ltd.

A large volume of Australian-made equipment will be supplied under the contract. Another Australian company, Data Technology Pty. Ltd., will act as designers and project managers.

The West Gate Bridge installations will be the most advanced in the world and follow pioneering work by the Port of New York Authority and the Golden Gate Bridge in San Francisco.

Several Australian companies will help furnish and install the wide variety of equipment required under the contract.

The "thinking" parts of the toll and traffic surveillance and control systems — including the computer — will be imported, but most of the other equipment will be produced in Australia.

Traffic surveillance and control installations on the West Gate Bridge will include:—

- ★ A closed-circuit television monitoring system, comprising six independent cameras and receivers which will assist in rapid detection of breakdowns or accidents.
- ★ Devices to detect vehicles travelling in the wrong direction on exit ramps and to operate flashing warning signs.
- ★ A vehicle counting system, using electronic detectors. Signals from the detectors will be fed to a process computer.
- ★ Sensors to detect the build-up of vehicle queues and to permit rapid action to ensure smooth traffic flow.
- ★ More than 100 emergency telephones, placed at frequent intervals along the bridge and approaches, communicating with the Control Room.

★ vehicle speed measuring equipment, also employing electronic detectors and linked to the computer.

★ Over 60 rotating beacons to alert motorists in the event of a breakdown or accident ahead of them on the bridge. These "hazard warning" lights will allow traffic to be diverted smoothly around the cause of the hold-up.

★ A public address system.

★ A wind speed and direction measuring device.

★ A fleet of radio-equipped patrol vehicles to assist in emergencies.

Toll systems for the new bridge will include:—

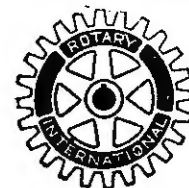

- ★ Automatic toll collection machines on many lanes. The machines will rapidly assess the value of the coin, or coins, deposited and will actuate a green signal if the correct amount has been lodged. Processing time from the moment a motorist drops a coin into the machine's "hopper" will be less than four seconds.

★ "Vehicle classifier units", which will enable the amount of toll to be calculated before each vehicle reaches the toll collector.

Each of the automatic toll machines will be fitted with an intercom unit which will allow the motorist to converse with the Controller without getting out of his vehicle.

To prevent a driver from receiving an electrical shock while paying toll, a static arrestor will earth each vehicle moments before the driver makes contact with a collector.

The traffic surveillance and toll operations of the bridge will be based on a general-purpose process control computer which will record "on-line" information from the toll and surveillance equipment, produce reports in a printed form and on disc, and interact as required with the console controlling overall operations.

Williamstown Rotary Club Train Trip

Williamstown Rotary Club is inviting residents on a steam train trip to Queenscliff on Sunday, April 19.

Proceeds will go to local charities.

The train departs from Newport at 9.20 a.m., returning to Newport at 7 p.m. Local suburban trains from Williamstown stations will connect on the same ticket.

Ice cream and soft drinks will be available on the train.

Tickets: Adults \$3, Children under 15 \$1.25, and are available from Marr's Radio Shop and Roberts Men's Wear, Ferguson Street, Williamstown; Burke's, Douglas Parade, and Newport Newsagency, Hall Street, Newport.

Inquiries can be made to W. May, 397-6311, or P. Calderwood, 397-7330.

All unusual events — such as excessive or unduly low traffic speeds, wrong way movement, use of an emergency telephone, or extreme wind speed — will be monitored by the computer.

In these instances, an alarm will be printed out rapidly for study by the officer in charge.

The computer will also be available for statistical, administrative and other "off-line" jobs.

WESTERN SUBURBS TABLE TENNIS

The Newport A Grade team of Alan Coustley, Lindsay Loone and John Garvin won the semi-final of the Western Suburbs Table Tennis Association narrowly 6-5 from Williamstown (Barry Taylor, Steve Slattery and Ian McQuillan).

Barry Taylor and Steve Slattery (W'town), John Garvin and Alan Coustley (Newport) each won two singles rubbers and with each side winning one doubles rubber each, the difference between the two sides was indicated perhaps when Lindsay Loone (Newport) defeated Ian McQuillan 21-12, 18-21, 21-13, and Newport will now play off in the grand final against Kingsville.

In the B1 semi-final Centre (Jack Wylie, David Doyle, Kevin Lambert) went

Three Fined For Exceeding .05

Three men were fined a total of \$180 by Mr. A. Pfeifer, S.M., in the Williamstown Magistrates Court on Friday for driving while having blood-alcohol contents in excess of .05.

Alexander Robert Clements, of Victoria Street, Williamstown, apprehended \$80 for driving with a blood-alcohol content of .18, a further \$20 for driving on the incorrect side of the road, and had his licence cancelled for three months.

Constable L. H. Kirby, of Williamstown, apprehended Clements on the night of February 11 after watching him cross to the incorrect side of the road to set down a passenger, then drive off again still on the wrong side of the road.

Geoffrey Charles Meebus, of Railway Crescent, Williamstown, was taken to the police station on February 12 by Constable Kirby for a breathalyser test after driving his car along Railway Crescent swaying from one side of the road to the other.

Meebus claimed to be "quite sober" but was found to have a blood-alcohol content of .095. He was fined \$50 and had his licence cancelled for three months.

Phillip Edward Wenlock, of Bracken Grove, Altona, was also fined \$50 and had his licence cancelled for three months.

He was intercepted by Constable J. L. Merrett while driving along Ferguson Street, Williamstown, and had a blood-alcohol content of .085.

ALTONA LIFE SAVERS ANNUAL PICNIC

Over 80 members and friends travelled by bus and car to Hanging Rock for the annual picnic of the Altona Life Saving Club last Sunday.

Fine weather and a good barbecue lunch ensured a very enjoyable afternoon.

Thanks are due to all who helped prepare the lunch and organise the races. Also to Altona Fuel and Fodder, Hynes Fireplaces, Alert Constructions, Merritt Timber and Mr. Ken Terry for supplies and loan of equipment.

VAGRANTS "WARM UP"

Some days are \$40 cold, and on such a day a place to sit can be \$20 warm. Strange sounding values because they apply in another world.

Into Williamstown Magistrates Court on Friday, April 3, at about 20 mins. to 12, stepped two men from this other place; resigned men in crumpled clothes, aged anywhere between 30 and 40, with grey faces that had marks where despair had been at some time or another.

One of the men had suffered a mental breakdown, the other was a migrant from Europe.

A railway watchman had seen them and raised the alarm with the police. The men were committing a crime. They were sitting in an empty carriage in Newport shunting yards on a cold, windswept, rainy day — and they were drinking methylated spirits.

It is relatively cheap, poisonous to the system and vile to drink. After a time it makes people die.

The men told the young policeman who arrested them that they were doing what they were doing, a crime, because it was cold. Both of them pleaded guilty.

Did they have anything they wanted to tell the Court? In a court room, at 20 minutes to 12 in the morning, there is not time to tell a life story. There is not time to listen either. No, they didn't have anything to say to the court.

Are there any questions they would like to ask? The migrant falters with a couple of words that are not heard by anyone. Then suddenly the voice comes out clearly and the word "Yes" springs into the still room and startles everyone. About 10 pair of eyes fix the man to his spot on the floor.

It was almost as though someone at a very smart garden party had inexplicably committed a terrible social blunder, a faux pas.

The human being that had opened for a moment to utter the word "yes"

snapped shut again. As soon as there was enough air in his lungs to make another sound he subsided. "No, not really."

The code that men who recognise themselves to be no-hopers keep in their place in court, based on the idea that if you adopt this attitude you may get the benefit of leniency, was almost broken.

The men were standing close together and the man who had suffered the mental breakdown shifted from one foot to the other as if to say, "that was a close run thing".

They were standing up because in court on such matters you only get to sit down again after you have been charged if you have a barrister representing you.

Some people cannot sit on park benches, or beach fronts, or doorsteps in the street either. Not for long anyway.

A decision is announced: \$40 fine for drinking methylated spirits and \$20 for trespassing on railway property; \$60 for each man.

The man who has the mental breakdown says: "We have already been in custody for five days since the offence. Perhaps Your Worship could take that into account". He has all the terminology right.

The Magistrate repeats the fines, \$40 for drinking, \$20 for trespassing — but this time he allowed 14 days before the money has to be paid. If they can't pay they will go to jail for a couple of weeks.

Everyone knows that they will not be able to pay. If you can get hold of \$60 every two weeks you don't drink methylated spirits.

The two men walked out in very much the same way as they had walked in, with no-one paying any particular attention to them. They only came to the notice of other people because the machinery of the law was set in motion. Now that it was finished they disappeared again.

Left behind were two confiscated brown bottles, one half empty and one two-thirds empty.

CASE WAS DISMISSED

A man charged with driving with a blood-alcohol content in excess of .05 had the case against him dismissed in the Williamstown Magistrates Court on Friday because the police made a typing error in their evidence.

Brian Lewis Godley, of Hotham Street, Williamstown, was taken to the Williamstown police station for a breathalyser test after his car was seen to mount the footpath in Ferguson Street, then swerve from side to side down the road.

The car turned right into Lenore Crescent where it meandered across the road before coming to a stop several feet from the kerb.

In evidence Constable G. W. Bedson, of Williamstown police, alleged he had intercepted Godley at about 12.35 a.m. on January 24 — but the date on the breathalyser certificate submitted to the court was January 28.

Mr. A. Pfeifer, S.M., said the evidence against Godley was technically incorrect and dismissed the charge. Mr. J. McNamara, of Moonee Ponds, appeared for Godley.

NEWPORT ANA DEFEAT SPOTSWOOD IMPERIALS IN GRAND FINAL

In a match that had many interruptions due to adverse weather, Newport ANA defeated Spotswood Imperials outright by 64 runs, in the grand final of the A Turf section in the Williamstown, Altona and Footscray District Cricket Association.

Newport ANA were off to a good start when they com-piled 294 runs in their first innings.

The highlight of the innings was a chanceless 115 by Cap-tain-Coach Ray Chadwick. Chadwick is a well-known cricketing identity in the area, having played over 20 seasons with Yarraville Cricket Club, during which time he captained and coach-ed the Yarraville First XI.

Spotswood Imps, due to some excellent batting scored 267 runs in their first innings.

ANA were dismissed for 98 in its second innings, and with only 125 runs needed for victory and a recognised strong batting line-up, Spots-wood Imps appeared to have a great chance of recording

its first A Turf premiership. However, due to some very tight and accurate bowling, backed up by excellent field-ing, Newport ANA had their opponents all out for 61 runs and so clinched their first A Turf premiership since sea-son 1957-58.

ANA have not been out of the A Turf final four in the past 17 seasons, and in that time have won the premier-ship of that section on four occasions.

In addition, during that period the club has won three premierships with its B Grade as well as three in the Junior (Under 16) Section.

Newport ANA have made the grand final with all teams both this season and last.

Owing to the evenness of teams in the A Turf section of the W.A.&F.D.C.A. this season, ANA had more diffi-culty in making the final four than in past seasons and it was a tribute to the work of the various committees and the efforts of coach Ray Chadwick that the team could go on to win the flag.

BOXING TOURNAMENT AT ALTONA YOUTH CLUB

Bad weather did not keep the crowd away from the boxing tournament on March 21 at the Altona Youth Club. Again a packed house enjoyed 17 bouts of fighting by some of the best junior and senior boxers.

Trophies were presented by Cr. Pat Lynch and compere was Cr. Ray Richards. Matches were arranged by trainer Bill Hodgson.

It was a good night for local boys, six of the seven entered won.

Angelo Vassiliadis won his bout which was classed as the semi-final of the Junior Lightweight Schoolboys Championship. Later he will box in the final against Graeme Sullivan of Langwarrin.

In this semi-final Angelo was having his seventh fight for only two losses and he proved too good for his much taller opponent Nick Chalkidakis (Nunawading).

Angelo chased his opponent from the first round and never stopped throwing punches with solid left and right hooks to the head and body won every round for a unanimous decision.

This fight was selected as the best on the program and Angelo was presented with a trophy donated by Stan Trembath.

David Hibberd, giving a few pounds in weight away, was unfortunate not to get the verdict in his fight against Steve Aston (Langwarrin) losing on a split decision.

Jimmy Georgeson, having his first fight in the six stone class was too strong and punched too hard against

Tommy McDonald (Geelong). This bout was stopped by the referee in the third round and gave Jimmy his first win.

Sammy Missale, in the six stone class, also having his first fight, proved to his trainer that like his "gym" work he is a tear-away fighter who never stopped punching and won a unanimous decision against the more experienced Billy Megan of Seaford.

Bill Giannoulakis, another first timer, proved too strong for his opponent Lewis Mele of Seaford. This light fly-weight fight was stopped in the third round by the referee and also award to the Altona boy.

Having his second fight in a lightweight contest Colin Mead punched Phil Dunkley (Langwarrin) with copybook straight lefts. Dunkley was almost out on his feet when the bell sounded and Mead was awarded the fight on a unanimous decision.

Steve Siperki fought a courageous fight against a much taller opponent in Lou Perzant (Footscray). It was a ding dong battle from the first round with Siperki using his skill at stopping a long left lead and to counter punch his opponent with left and right hooks to the head and body, to win the decision on points in the Bantam-weight class.

W.S.F.L. PREMIERS MUST WAIT ANOTHER WEEK

By Warden James

Western Suburban Football League premier sides from last season — West Newport (Open Age) and Altona (Under 18) will have to wait at least one more week before unfurling their premierships pennants.

Both sides have drawn a bye in the opening round of WSFL football which commences this Saturday and Sunday.

The League, for the fifth consecutive year under the sponsorship of the South Melbourne Football Club, will have 22 teams playing in three divisions this season.

Unfortunately, the withdrawal of the Footscray Amateurs side from the Open Age section halfway through last season and of the RAAF Laverton side from the Under 18 section this year, has left a bye in both these divisions.

At present there are six teams in the Under 16 division. However, this section could also be left with a bye if Laverton are a last-minute withdrawal.

Indications are that although the club has an abundance of young players, they have not been able to secure a coach and officials to look after the side.

In Open Age the match of the day on Saturday should be between last year's runners-up Central Altona, and Altona, who finished fourth.

Former Yarraville cricketer Ken Collins has replaced Brian Trevan as coach of Centrals and they are tipped to take the points.

The other main game should be between Newport, who played off in the finals last season, and South Kingsville, who is believed to have recruited very well this season.

South Kingsville, under new coach Trevor Allen, could take the points in what promises to be a close match.

In other Open Age matches Maidstone will meet Werribee, Laverton will meet Brooklyn, and RAAF Tottenham will play RAAF Point Cook.

Other fixtures are: Under 18, Central Altona v. West Newport, Laverton v. Newport.

Under 16: Laverton v. Williamstown, Devon Park v. West Newport, Newport v. Altona.

The WSFL has appointed two very experienced officials as administrator and treasurer for this season in Mr. John Pidoto and Mr. Alby Mason, respectively.

Mr. Mason was secretary of the Werribee Football League (now the WSFL) for 21 years before ill health forced him to relinquish the post, while Mr. Pidoto has been associated with the League as a player since 1949 (in Under 16) and then as a senior players and delegate for 12 years.

Citizen's Campaign On Air Pollution

Mrs. Vera Wells, of Altona, is conducting a campaign against air pollution.

At this stage she has written a long letter to the Minister of Health, received strong support in an article in The Sun and appeared in a television interview.

All were concerned with one subject, actual and visible pollution by Altona industry.

Mrs. Wells is occupied by what she considers a menace to health, and feels that many other citizens would agree with her.

She would appreciate any resident of Altona getting in touch with her if they have any evidence of pollution.

Mrs. Wells realises that residents have already been requested to inform Council officers of any such nuisance. But she feels the need is so great that as many avenues as possible should be open to ratepayers.

Those who for some reason are diffident about making an official complaint to the Council should approach her with all relevant details.

Tech. School Claims Still Under Review

Consideration of the establishment of a technical school in Werribee will again be reviewed.

An answer in the Legislative Council to a question from Hon. A. W. Knight stated:

"Consideration is given annually to the establishment of technical schools in all areas of the State that have indicated a need for a technical school facility."

"The claims of Werribee will once again be considered in the annual review of the department's school building program later this month."

Special School For Altona North

A special school in Altona North will be needed. However, it is not considered necessary at present.

This was indicated in a reply to a question from Hon. A. W. Knight to the Minister of Education, Mr. L. H. S. Thompson.

The Minister said: "A careful and continuing check is kept on the needs of mentally handicapped children in the area, and I am advised that at present there are no children from in and around Altona on waiting lists."

"However, the ultimate need for a special school at Altona North is recognised, and regular reviews of the area will be maintained in order to keep building needs up-to-date."

"Trots" Night For Teenage Entrant

Anne Rafferty of Blyth Street, Altona, an entrant in this year's Miss Teenage Quest of Victoria, is raising funds for the Royal Women's Hospital.

She has been organising a "Trots" night at the Showgrounds on May 2.

Tickets at \$5 each (\$10 double include liquor (as much as anyone can drink) and a three course meal.

They are available from Miss Rafferty at 208 Blyth Street.

BROOKLYN WEST PRIMARY SCHOOL PUPILS RAISE \$131

It was a carnival atmosphere at Brooklyn West Primary School on the Thursday before Easter when children and teachers paraded in the Easter Hat Parade to augment funds being collected for the Royal Children's Hospital Appeal. Altogether \$131 was sent to the Good Friday Appeal.

This was the second year the Social Service League, led by Infant Mistress, Mrs. A. Ginfier, had staged the Easter Hat Parade.

Activities began two to three weeks prior to the day with a competition among 5th and 6th graders for posters advertising the coming event. These were displayed in all classrooms. The winner was Helen Veller.

Before the Thursday envelopes were distributed among students seeking donations for the appeal and social service club monitors wore fancy hats to remind the children of the coming parade.

Judges on the big day were Mrs. T. Dunstan, wife of the school inspector, Mrs. D. Graham, wife of the senior male teacher, and Miss V. Hegarty, Infant Mistress of the Wembley school.

Prizewinners among the students, who each received a boxed Easter egg, were:

GIRLS

Best hat representing song or nursery rhyme. — Julie Cameron (Humpty Dumpty).

Best hat representing a television program. — Cheryl Wallis (Gilligan's Island).

Best decorated bonnet of natural or artificial flowers. — Christine Wesley with a bonnet made of tissues.

BOYS

Best spaceman hat. — Murray Judd (Moon Juice).

Best hat representing television program. — Wilfred Brooks (4 Corners).

Best novel hat. — Ronald White (Spider's Web).

Beales, 26 Bent Street, Altona, will be celebrated at St. John's Church of England, Paisley Street, Footscray, on Saturday, April 11 at 5 p.m.

Altona Choirs

All members of the Junior Choir of the Altona Music Society are asked to note that their choir practice has been altered from 2.15 p.m. Saturday afternoon to 10.45 a.m.-12 noon each Saturday morning.

Any new member wishing to join would be made very welcome. A concert is to be held shortly by the Juniors.

Practices are held in "The Homestead", Queen Street, opposite Library.

SENIOR CHOIR

Altona Senior Choir meet each Thursday night at 7.30 p.m. in their rooms in "The Homestead", Queen Street, Altona.

Intending new members who would like to join are asked to go along to a meeting and see Mr. Pearce, the Music Director and Conductor. The choir hope to enlist some new singing members.

Young Wives Meet

The next meeting will be held on Thursday, April 16 at 4.45 p.m. in the Guide Hall, Civic Pde., Altona.

An urgent appeal is made to parents of Guides and Brownies to attend this meeting and give their support to the Association.

CITY OF ALTONA

PUBLIC AUCTION OF LAND

(Recovery of Rates and other monies)

74 building allotments all in Altona Meadows (West Altona)

SATURDAY, APRIL 11, 1970, at 10.30 a.m.

In Civic Hall, Civic Parade, Altona

Brochures are available from selling agents Foreshore Real Estate (398-2947), Farnbach Burnham (68-1344), H. C. Kim (398-2904), F. & L. Vesta Pty. Ltd. (314-7778), J. R. Buxton Pty. Ltd. (398-1902). Auctioneer J. R. Buxton Town Clerk, James W. Waters.

Remarks: The land offered for sale at Altona Meadows is situated West of Altona Golf Course, Follow Queen Street through to Merton Street.

These allotments represent some of the only remaining land for residential purposes in the City of Altona.

They offer buyers a unique opportunity to secure a home site now and with the ever increasing popularity of Altona as a "good place to live," the investor can also be assured of a good return when it is considered that vacant land in the more closely settled parts of Altona is being purchased from \$6,000 to \$7,000 a block.

The old adage "first secure the land" is very true when one considers the fact that land is one of the only commodities on the market that cannot be duplicated.

WHAT IS APEX?

An invitation is extended to all young men between the ages of 18 and 35 to attend the next dinner meeting of the Altona Apex Club, to be held at 6.30 p.m. at the Central Hotel on Monday, April 13.

This meeting will give an insight in to the meaning and obligations of APEX, and its place in the community and the guest speaker will be Zone 1 President L. Symonds.

If you are interested and would like to attend, please contact George Killingback, 399-2063 before 9 a.m. on Monday April 13.

Apex is a non-political, non-sectarian association of approximately 15,000 men, between the ages of 18 and 35, formed into over 600 service clubs throughout Australia and South-East Asia, from Calcutta to Camperdown.

Apex was founded in 1931 by three young Geelong architects who wanted to help deserving members of their community during the depression years.

These young men who did not have any financial backing of their own, decided that the best way in which they could help was to give manual assistance and to conduct appropriate fund raising ventures.

From Geelong, Apex spread to the provincial cities of Bendigo and Ballarat, and is still expanding rapidly in Australia and to our neighbours in South-East Asia.

The objects of Apex Clubs are as follows:

(a) To make the ideal of service the basis of all worthy enterprise.

(b) To develop by precept and example a more intelligent, aggressive and serviceable citizenship.

(c) To provide a practical means of forming enduring friendships and of rendering altruistic service and of building better communities.

(d) To promote and further international understanding, friendship and co-operation.

Membership is open to men of good character who are engaged in a worthy business, trade or profession, between the ages of 18 and 35 years, who have a desire to help others and better their community. Members must retire at the age of 40 years, as Apex is a young man's club.

This forced retirement age is set at 40 to provide our communities with thinkers and administrators for other forms of community service.

Apex Clubs hold a Dinner Meeting each fortnight to which a Guest is usually invited to speak on varied and interesting subjects. Occasionally a debate is conducted in lieu of the guest speaker, to develop members as public speakers.

Each Apex Club elects 12 Directors, including the President, Secretary and Treasurer; each Director is assigned a certain portfolio, with committee of floor members to carry out assigned functions such as service, programs, international relation fellowship, expansion, etc.

At each Dinner Meeting the Directors report on their particular functions; for example, the Service Director reports on any worthy community service jobs that he is aware of or which have been suggested to him for investigation by Club members.

The Club members then vote on service schemes to be adopted and plan the job accordingly.

Service work is normally carried out during weekends and consists of many types of projects, such as cutting and distributing firewood for pensioners; assisting deserving people in the community by doing physical work for them; assisting and raising money for Hospitals, Youth Clubs, Elderly Citizens' Clubs, and any other worthwhile community organisations; and sponsoring other civic requirements such as Baby Health Centres, Kindergartens, Carols by Candlelight, beach cleaning and many others.

In addition to local service undertaken by an individual club, combined clubs have sponsored or established the following projects on a national or State basis:

Seeing Eye Dogs.

Civilian Widows' Association.

Aboriginal Welfare.

Australian Aerial Medical Service.

Anti TB Campaign.

Portsea Children's Camp.

The Association have recently completed the Walkathon to beat all walkathons by a Mammoth Walk around Australia covering 10,114 miles! One member from South Australia being with the walk as supervisor actually walking over 1000 miles, in 8½ months.

There are currently 10 clubs in the district, 5 of

which are in the Geelong area and 1 each in Williamstown, Werribee, Altona, Coburg and Sunshine.

Also in the process of being formed is Essendon and Keilor.

Up to this point you may think that Apexians give everything and receive nothing in return. This would not be correct as Apexians get back as much or more than they put into the club, in the form of fellowship, satisfaction of doing something worthwhile, wider contacts and interests in the community and overseas, training in public speaking, chairmanship and organisational skill and lastly, the formation of enduring friendships for not only the member but his whole family, through varied functions organised by the clubs.

WILLIAMSTOWN LIGHT OPERA COMPANY

The Williamstown Light Opera Company is excited with the prospect of the coming production "The King and I" which is due to open during the coming May school holidays at the theatre in Pickett Street, Footscray.

A large number of children have been selected from the many local schools to feature in this lavish production. The enjoyment the youngsters are getting out of the rehearsals is certainly great, and this means that they are really going to please the audiences with the many antics which only children are cutely capable of doing.

Two great stars are to appear in the leading roles of The King and Anna and both are well-known local identities who have won top awards for their acting abilities — none other than June Lownds and Les Terrill.

Bookings are certainly heavy at this stage and the demand will be hard to meet, reports the company's ticket manager. But those who wish to get further information can by calling at the theatre

in Pickett Street, Footscray, Monday evening or by ringing Eva Pearce on 397-7380.

FORMATION OF WILLIAMSTOWN AND NEWPORT OIL TANK FARM PROTEST COMMITTEE

Many people will recall the opposition to an application by H. C. Sleight Ltd. to the Williamstown Council to establish a petroleum distribution terminal in Kororoit Creek Road, Williamstown, over 2,000 people signed a petition to ban the erection of oil tanks in the area proposed.

Following the refusal of the Williamstown City Council to grant the permit the company has appealed to the Town and Country Planning Appeals Tribunal of the Local Government Department.

This appeal will be heard at the Williamstown Town Hall on Tuesday, May 19, at 9.30 a.m. and all the objectors to the terminal who submitted objection forms to the Council have been invited to attend or be represented.

A meeting was held on Wednesday, April 1, at the home of Mr. E. Barnett, of Florence Street, Williams-

town, to discuss further objections to the scheme.

Fifteen residents of the area and other interested objectors attended and as a result the Williamstown and Newport Oil Tanks Farm Protest Committee was formed.

The Committee elected as Chairman Mr. M. Dann and Secretary Mr. E. Barnett, into office until the holding of a public meeting later this month.

A further meeting of all interested persons will be held on Wednesday, April 8, at the home of Mrs. Vermuelen, 66 Florence Street, in order to organise the public meeting and to notify the residents of Newport and Williamstown of the meeting and the appeal hearing.

Any residents interested in assisting would be most welcome to attend.

Please phone Mr. M. Dann on 397-5860 (home) if further information is required.

SEAHOLME L.A. CLUB

PRESENTATION NIGHT

Children and parents are again reminded that this function will be held at the Methodist Hall, Seves Street, Altona, commencing at 8 p.m.

Entertainment, presentations and light refreshments will be served.

Children and adults are requested to bring a plate.

Williamstown CYMS Football Club

A good crowd attended the club's 1969 Presentation Night, held on Thursday, April 2.

Everyone thoroughly enjoyed the evening at which the following trophies were presented:

Best and Fairest. — David Jones.
Second Best and Fairest. — John Zammit.
Most Consistent. — Steve Rieger.
Best Utility. — Peter Zamykal.
Most Determined. — Barry Moore.
Most Attentive to Training. — Jeff Rollason.
Best in Finals. — Richard Borradale.
Most Consistent in Finals. — John Dey.
Best Clubman. — Tony Williamson.
A special trophy was presented to Ray Ward for his work throughout the year.

FINAL PRACTICE MATCH (APRIL 4)

First Quarter
Commencing against the breeze CY's were quickly into attack but found the opposition by Williamstown Methodists quite strong.

This quarter was quite a struggle with CYMS finishing on top.
Quarter-time: CYMS, 5-2; Williamstown Methodists, 4-5-29.

Second Quarter

With the aid of a strong wind CY's moved into top gear and attacked for the majority of the quarter. However, the forwards were lacking in accuracy.
Half-time: CYMS, 10-14-74; Williamstown Methodists, 4-7-31.

Third Quarter

CY's were not combining together well, allowing the Methodists more opportunities, but fortunately the Methodists' forwards were also inaccurate.

Three-quarter time: CYMS, 11-19-85; Williamstown Methodists, 6-15-51.

Final Quarter

The players were once again off the beam in shooting for goal. However, they scored enough to win by quite a margin.

Final scores: CYMS, 14-26-110; Williamstown Methodists, 6-17-53.

DRAW FOR FIRST ROUND

(Saturday, April 11) —
A GRADE are to play West Ivanhoe, away. All players and supporters are to meet at St. Mary's Hall, Cecil Street, by 1 p.m.

ALTONA LITTLE ATHLETES HOLD PRESENTATION NIGHT

A most enjoyable and informal atmosphere developed at the barbecue and adult twilight meeting which preceded the first annual presentation of trophies to Altona Little Athletes at the Civic Hall on Sunday, April 5.

Children under 12 years of age made a valiant attempt to control some 30 adults who contested five events, one of which was re-run three times.

There were many disqualifications during the 300 metre walk and it appears that adults have learnt little, if anything, from the children's performances during the season.

Mr. Nevitt reviewed the first year of little athletics as conducted by the Altona Little Athletics Centre and made mention of the fact that in the short space from October equipment valued at \$1,500 has been purchased for the use of some 500 registered competitors.

The Mayor, Cr. Pat Burns, accompanied by the Mayor-elect, Crs. R. Richards and L. Crofts, were warmly welcomed by the Altona L.A.A. Executive Council President, Mr. G. Nevitt.

The following presentations were made:

Champion Individual Performance (Girl). — N. Wittman (Altona North).

Champion Individual Performance (Boy). — R. Nash (Altona North).

Outright Centre Champion (Girl). — J. Rice (Westona).

Outright Centre Champion (Boy). — P. Curran (St. Mary's).

Runner-up to Outright Centre Champion (Girls). — J. Ryan (Altona North).

Runner-up to Outright Centre Champion (Boy). — J. O'Donohue (Westona).

CHAMPIONSHIP CLUB

The Victorian Egg Board's perpetual trophy for the top club competing at the Centre was awarded to Altona North who secured this coveted honor from Westona, second, and St. Mary's, third.

Mr. Gordon Thompson, Altona North Club Manager, accepted the trophy from Cr. Richards on behalf of the girls and boys and thanked the Executive Council and City Council for their competitive spirit.

PURLE WASTE DISPOSAL (AUST.) P/L

Decisive Win To Seagulls

In the practice at Williamstown last Saturday, the visitors, Chelsea, appeared to be a tougher proposition in the first quarter than did Maffra the previous week but the Seagulls soon settled down to run out victors by a mammoth 150 points.

FIRST QUARTER

Apart from the effort of Dallas Patterson at full-forward much of the credit must go to the Seagulls' defence which restricted the visitors to only one goal, one behind from quarter-time.

Chelsea won the toss and took first use of the breeze. They were soon applying pressure to Williamstown's defence and only for Peter Ryan and Ken Barnes, who was marking well, Chelsea may have had an advantage on the scoreboard at quarter-time.

When the home side attacked they had many potentially dangerous players but were lacking fire which enabled their opponent to gain many opportunities.

Bob Smith showed he was an opportunist by never giving up and booting a goal off the ground and Dallas Patterson was playing with his usual strength.

Chelsea were getting great drive from the centre and they were throwing everything into a desperate effort to take full advantage of the breeze.

"Soupy" Viney was adding bite around the ground with strong ruck play whilst Paul Heywood was clever on a half-forward flank. But something was missing from the Seagulls' game and it may have been that a little lethargy had developed due to the easy manner in which the team won the previous week.

Much of the success of the team seems to hinge on their brilliant handball and teamwork and it was most unusual to see a series of handpasses to players in the right places come to grief.

Chelsea had many big players and that was one of the reasons why they kept well in the game. They hit the front with a minute to go in the quarter but the Seagulls lifted themselves and desperately forced the ball down to Dallas Patterson for a goal to take the lead as the siren sounded.

Quarter-time: Williamstown, 3-3-21; Chelsea, 2-4-16.

Goals: Patterson 2, Smith.

SECOND QUARTER

Many people at the ground were of the opinion that this game was not going to be any walkover to the home side, as Chelsea, still getting plenty of drive from the pivot, levelled the score early in the second quarter. However, the Seagulls had different ideas.

David Stark, now on at centre-half-forward, fitted in quickly to his team's pattern and although Dallas Patterson starred at full forward in this quarter many of the opportunities he received came from the young and promising Stark.

Rovers Kevin Jackman and Bob Smith were lifting their games and Paul Heywood and John Whittington were proving valuable on the forward line.

Chelsea continued to throw everything into the game but with less effect than in the first quarter.

Ron Page was repeatedly under notice and with Peter Ryan still starring in the back pocket and Stark covering every attack that came his way, Dallas Patterson was provided with numerous chances to score — and he did not waste any.

The 18-men-a-side was creating many scrumbly periods of play and umpire Kevin Dixon, who was doing a creditable job, had trouble breaking up the packs.

Williamstown had now settled down and their teamwork was great. In the two games to date the most outstanding facet of their game has been the manner in which every player is talking. This must surely be giving, not only Max Papley, but the younger players in the side added confidence.

Because he kicked six goals for the quarter it could be said that one word would describe the second quarter — Patterson. But many players combined well in a great team effort in getting the ball down to him.

Half-time: Williamstown, 11-8-74; Chelsea, 3-5-23.

Goals: Patterson 6, Jackman, Page.

THIRD QUARTER

The third quarter opened in a scrumbly fashion with many packs developing as both defences struggled for supremacy.

The 16-men-a-side was now being played and it was noticeable that congestion around the centre had diminished.

Williamstown brought young ruckman John Van Liempd on to play in his first main practice match with the club and he made his presence felt by having three shots for goal in the first five minutes of the quarter.

Robert Percy was now getting on top in the centre and Kevin Jackman was dominating around the packs.

David Stark, still giving great drive at centre-half-forward, was combining well with Paul Heywood and the ball hardly left Williamstown's attacking zone.

It was hard to find fault with the Seagulls at this stage as they ran riot. It did seem that Chelsea had had enough and that the pres-

sure they applied in the first quarter had taken its toll. An unusual feature of Chelsea's defence was their short-passing from the back-line. It succeeded a couple of times but Williamstown "woke up" and soon had opportunities presented to them when Chelsea persisted in this form of defence.

Dallas Patterson again marked well and gave many hand-passes to teammates around him.

Andy Camilleri, who played well in the curtain-raiser, had come on in this quarter and roved well.

Although the standard of play had definitely dropped, from a Williamstown point of view the performances of Van Liempd and Stark were heartening.

Three-quarter time: Williamstown, 15-17-107; Chelsea, 3-5-23.

Goals: Patterson 2, Van Liempd, Stark.

FOURTH QUARTER

During the three-quarter time interval Max Papley asked his players for ten goals and to keep their opponents goalless.

Chelsea looked very leg-weary and if ever a side had used up all their energy in the early stages of a game this was it.

Williamstown were well in charge. Ken Barnes held supremacy in the air and Robert Percy was now in charge of the pivot position. Because of Town's supremacy, Chelsea's only tactic was to try and close the game up. This they did on a number of occasions but to no advantage and only to the detriment of the game as a spectacle.

On the occasions that Chelsea did attack it was the reliable Peter Ryan to relieve for the Seagulls. Ian Wallace was now in everything and added two goals for the quarter. But it was Patterson who was the target of most attacks and although getting a little weary towards the end still managed to add four for the quarter.

Without any doubt the most pleasing feature of the game for Williamstown would be the unearthing of young talent like David Stark, John Van Liempd and Robert Young and the form of Dallas Patterson. Ken Barnes, Peter Ryan and Paul Heywood.

Final scores: Williamstown, 25-23-173; Chelsea, 3-5-23.

Goals: Patterson 4, Wallace 2, Van Liempd 2, Jackman, Young.

HOW THEY SCORED

D. Patterson 14-4, J. Van Liempd 3-3, K. Jackman 2-2, I. Wallace 2-1, D. Stark 1-4, R. Smith 1-2, R. Page 1-1, R. Young 1-1, K. Barnes 0-1, R. Percy 0-1, A. Camilleri 0-1, P. Heywood 0-1, 1 point rushed.

STATISTICS

FREE KICKS. — Williamstown, 9, 11, 4, 5 — 29; Chelsea, 11, 8, 6, 5 — 30.

MARKS. — Williamstown, 8, 8, 4, 15 — 35; Chelsea, 8, 5, 8, 12 — 33.

THROW-INS. — 8, 8, 12, 8 — 36.

Seconds Down Newport In Fiery Game

In the curtain-raiser to the main match, Town Seconds won a hard-fought battle against Newport by almost nine goals.

The scores were: Seconds, 13-14-92; Newport, 5-9-39.

With Les Meyers brilliant as a ruck-rover and Robert Young starring at full-forward, the Seconds held a comfortable lead at half-time, but in the remaining half Newport fought back strongly and held their more experienced opponents.

Ron Kite played well for Newport in the centre and Peter McInney was reliable on a half-forward flank.

The game was marred in the last quarter when a melee of players developed on the grandstand wing. It took many minutes for umpires to restore order.

BEST PLAYERS

WILLIAMSTOWN. — Robert Young (full-forward, 8 goals), Les Meyers (ruck-rover), Andy Camilleri and "Bubba" Thompson (rovers), and Brian Kenny (centre).

NEWPORT. — Ron Kite (centre), Peter McInney and Terry Matthews (half-back flanks), Billy Woods and Ken Withers (ruck).

KOORINGAL GOLF CLUB ASSOCIATES

On March 31 Kooringal Golf Club Associates held their Medal-Stroke which resulted in a tie between M. Murphy (17) and J. White (34), net 70. A play off is to be held.

M. Cox, net 67, won the 36 markers.

P. Holdsworth, 29 putts, won the putting on a count back from S. Daniels and H. Harrison.

Williamstown Methodists

The Williamstown Methodist football team played a practice match against the Williamstown CYMS last Saturday.

The Methodists were easily beaten due to lack of hard training, but they showed promise of developing into a good team.

The season opens on Saturday with a match against Croxton at the Fearon Reserve.

14 Goals To Seagulls' Spearhead

■ WITH STRONG marking, accurate kicking and fine ground play, Williamstown full forward DALLAS PATTERSON (pictured above) kicked 14 of his side's 25 goals in the practice match against Chelsea last Saturday. If he continues this form and his team mates give him the same co-operation he is going to prove a headache for most full backs in the V.F.A. this season.

Altona Yacht Club

Lately racing at the Altona Yacht Club has been held in order to catch up with those races cancelled due to Melbourne's notorious weather.

As the season draws to a close there are still some outstanding races. So that those wishing to sail do not have to use ice-picks as standard racing equipment, these races are to be held as soon as possible (weather permitting).

A championship race for the Hornet and GP14 classes is to be sailed on April 11 (Saturday afternoon) and the ill-fated Windsor Trophy series, the twelfth, on Sunday, April 12.

The Windsor Perpetual Trophy (in honor of the late Ronald Windsor) is to be sailed over three handicapped races on that Sunday and the boat giving the best performance on handicap (regardless of class) shall win the series and the trophy.

The past week-end saw a full complement of races. Saturday's championship race saw the Hornet Class results:

1st, Laphil, E. Philipps, L. Laker; 2nd, Jet, T. Jones, A. Owen; 3rd, Two-up, P. Matthews, I. Sheard.

HERON. — 1st, Pee Wee, J. Grieve, M. Balish; 2nd, Stelynka, S. Bulmer, J. Horn; 3rd, Joanne, G. Stone, P. Bell.

GP14. — 1st, Whistable III, B. Smith, K. Smith; 2nd, Keino, F. Mallett, N. Anthony; 3rd, Leander, B. Smith, T. Carver.

Altona City Football Club

The Altona City Football Club held practice matches last week-end which proved invaluable. Many players showed unexpected talent in good workouts.

The Under 16 boys acquitted themselves well as they played half the game with 15 men.

The Under 18 team started to show teamwork during the last quarter but many players will need time to adjust to new positions and teammates.

Polished exhibitions of central umpiring were given by senior stalwarts, Paul Iiter and Frank Wynands.

Players are reminded that a Junior Players' Family night will be held tonight, Wednesday, at 7.30 p.m. at the pavilion. Two League players will be guest speakers.

Next Saturday Altona Under 16 will play Newport at Grant Reserve at 10 a.m. Seniors will play Central Altona.

Under 18's will have a practice match because of a bye. Details are to be arranged and will be given at practice.

The special effort will be drawn on Saturday, April 18, so tickets should be obtained from any official or player. Members tickets are now available.

Altona City Soccer Club's win at Sunshine last Saturday must be a great morale booster for the team.

It is always hard to get two points away from home and for Altona to win at Sunshine in the first league game is no mean feat.

If Altona can win this week's game away from home at Box Hill then they could be in for a great season.

Sunshine got off to a great start by scoring a goal in the very first minute of play. Altona were unsettled by this and for a while Sunshine continued to attack.

Copley was in good form and along with Hines kept the Maroons from losing another goal.

King gave the Altona supporters a thrill as he swept a cross shot narrowly over the bar with the Sunshine keeper hopelessly beaten.

Karanatos and Orneroy were working hard to keep Sunshine out and at half-time Sunshine was leading 1-0.

The second half was a different story. Altona started to play good soccer. Herman moved to the right and King to the left and it was Sunshine's defence which was called on to try and halt a wave of attacks. Sunshine gave away a free kick just outside the box. Loughran took it and landed it at Ray King's feet and Ray pushed home the equaliser.

Altona showed a great killer instinct and they followed this up by more hard play. Sunshine were by no means out of it. Roberts had regained his confidence and dealt comfortably with any shot that reached him.

ALTONA WEST v. ALTONA NORTH FIRSTS CRICKET

In an interesting game Altona West defeated Altona North.

Batting first, Altona North was all out for 23 (Greg Mather 8, Michael Stemmer 4) with Paul Wilsher 5-8 and Terry Pinney 5-11 sharing the bowling honors.

Altona West, after being 1 for 19 were all out for 37 (Paul Wilsher 8, Terry Pinney 14, K. Harris 3). Best bowlers for Altona North: Gerrard Wall 4-16 and Joe Goricane 5-14.

ALTONA WEST v. ALTONA NORTH SECOND CRICKET

Altona West, 2 for 70, defeated Altona North, 4 for 56.

Top scorers for West were James Saw 30, Victor Fetne 20 and Yocki Wittstadt 15.

Best bowlers: Y. Wittstadt 2-16 and Victor Fetne 2-30. Raymond Pisani was the best fieldman.

ALTONA EAST v. NEWPORT WEST

On Friday, March 20, Altona East Primary School played Newport West Primary School. Once again Altona East was successful in three out of the four matches played.

The scores for the first cricket team were Altona East, 65, defeating Newport West, 41. Best batsmen for Altona East were Mark Lynch and George Hatzopoulos who both made 12 runs, and Fosto Santoro and Ange Kostakakis who made 11.

Best bowlers were Stanley Lambrou, Steven Osborne, Fosto Santoro and Ange Kostakakis who all took two wickets.

The second cricket team also defeated Newport West, the scores being Altona East, 51, and Newport West, 27. Best bowlers were Chris Varsamakis and Milan Sokic who both got three wickets. Best batsmen were David Wood 21 and Con Grouios 15. The remainder of the team fielded well.

Although they tried hard the first softball team was beaten by one run. The scores were Altona East 8, Newport West 9. Best player was Diane Hem who made a home run. Everyone else played well.

The second softball team defeated Newport West by 13 runs, scores being Altona East 1, Newport West 5. Best players: Vicky Johnson and Joanne Dennis who made three runs each.

DIGGERS SUCCESSFUL WEEKEND

As a result of Association semi and preliminary finals played this weekend, Diggers Club has teams in the grand finals in five grades.

Diggers A Grade team, after going down to Yarraville on Saturday, crushed Altona on Sunday to earn the right to try again for the pennant this year.

A Reserve I, after gaining a place in the four on percentage, have won their way to the grand final and must be given a chance to win.

Much of the credit of Diggers' success must go to their President Mr. Jack Darnody. Jack's problem on Saturday was to keep tabs on all of the seven teams competing in finals. This Saturday will tell the tale, the draw being:

A Grade. — Yarraville v. Diggers, at Rosamond.

A Reserve I. — Yarraville v. Diggers, at Rosamond.

A Reserve II. — Yarraville v. Rosamond, at Spotswood.

A Reserve III. — Power St. v. Roberta, at Diggers.

B Special I. — VRI v. Yarraville, at Kingsville.

B Special II. — Footscray v. Diggers, at Yarraville.

B Grade I. — Liston-Espanade v. Diggers, at Footscray.

B Grade II. — Diggers v. VRI, at Maidstone.

B Grade III at Liston-Espanade.

B Grade IV at Central.

WILLIAMSTOWN CYCLISTS DO WELL AT BENDIGO

At Bendigo on Easter Monday and Tuesday the Bendigo Club conducted their annual cycling carnival.

The Williamstown Club was well to the fore in most events and had two finalists in the rich Golden Mile Wheelrace.

Tom Reynolds broke away to win his heat and tried the same tactics in the final only to be run down, whilst Geoff outprinted the opposition in his heat and gave assistance to the winner in the final.

With the open season now complete successful Williamstown riders' statistics are:

Geoff Salter qualified for 11 finals and finished third in one of them. He also gained first, second and third placings in scratch races.

Robert Wouda qualified for three handicap finals and one derby final in which he finished third.

Ian Salter qualified for six finals, winning one and finishing second twice and had first, second and third placings in scratch races.

Tom Reynolds also qualified for six finals for one win and had three scratch race victories.

Considering the limited racing at the Velodrome during the season their record is quite impressive. This coming Saturday Robert Wouda, along with Paul Eagle of the Footscray Club will leave for Western Australia where they have contracted to ride the road season.

A prolific winner of both track and road events, Robert's more memorable victories were the Geelong 75 on the road and Violet Town, Bendigo on Labor Day and "James Healey" wheelrace on the track not forgetting his second placing in the 1968 Austral final. His undoubted ability and versatility will surely bring him success in "Sandgroper" country.

With Robert goes the full support and best wishes of all members of the club for a happy and successful trip.

After a brief lapse the Anzac Day Criterion will be staged again this year and over the next few weeks warm-up events will be conducted.

A one hour event is set down for this coming Saturday on a course to be named.

Altona Cyclist Wins Double Two Weeks Running

Young Tom Williams of Altona won the double two weeks running by winning the A Grade handicaps and the B Grade scratch races.

He is finishing the cycling season in good style with only one more meeting to go. The road season commences on April 18.

Placings at the Footscray Amateur Cycling races held at Hansen Reserve last Saturday were:

One Mile Senior Handicap. — 1st, K. O'Malley, off 115 yds.; 2nd, A. Williamson, 20 yds.; 3rd, C. Leitch, 30 yds.

One Mile Junior Handicap. — 1st, K. Goldberg, 135 yds.; 2nd, R. Berry, 80 yds.; 3rd, G. Mathews, 80 yds.

Half-mile Juvenile Handicap (A Division). — 1st, Tony Williams, 85 yds. (Altona); 2nd, G. Goldberg, 30 yds.; 3rd, R. Croker, 35 yds. (Altona).

Half-mile Juvenile Handicap (B Division). — 1st, R. Lehney, 115 yds.; 2nd, R. Woodgate, 110 yds.; 3rd, W. Gardiner, 115 yds. (Altona).

Five Mile Senior Scratch Race. — 1st, A. Williamson (Altona); 2nd, P. Goldberg; 3rd, T. Gorman.

Altona Hockey Club

Although this Saturday is the opening round of senior hockey, there will be no teams playing at home.

The junior teams got underway last Saturday with mixed results.

UNDER 16
Brunswick, 4, d. Altona, 0. Playing against a much fitter side the locals were soon floundering when in the first half Brunswick scored from a penalty flick.

With the exception of 2 or 3 players the balance of the Altona side slowed to a walk in the second half. On three occasions in this term Brunswick ran straight through the Altona defence to score easily.

The only glimmer of hope for Altona was a fine lone run by Johnny Forrester who was very unlucky not to finish a nice piece of play by scoring.

UNDER 14
Altona d. Camberwell, 1-0. With nine new players in the Under 14 ranks Altona acquitted themselves extremely well. R. McCauley was elected captain, and F. Keeshan vice-captain.

Altona, with most of the play in the first half, failed to convert by over-anxiousness and inexperience. Players to show out early were R. McCauley, G. Studley, G. Brown, P. Symons and S. Smith.

Play continued in the same vein until F. Keeshan coolly netted to give Altona the lead. The Altona defence then seemed to relax and Camberwell looked as if they could easily equalise and it was only the steadiness of goalie B. Neyland (playing in goals for the first time) to relieve the situation.

Altona finally ran out winners of a good game.

UNDER 12
Altona were defeated by Greensborough, 6-0.

CLUB NOTES

Selection of teams. — Past, present and prospective players who wish to play hockey this season and who have not already advised Secretary Des Smith, must do so by 7 p.m. Thursday, April 9, at which time the selection committee will meet at the clubrooms. If unable to attend please ring Eric Symons on 398-1513.

The General Meeting, at 8 p.m., will follow selection. All members are urged to attend as the main item of discussion will be registration and match fees.

The clubrooms are situated at the rear of the Council Depot in Civic Parade. Training for Seniors is held on Mondays and Thursdays at 5 p.m., and for Juniors on Wednesdays at 4.30 p.m.

SOCIAL NOTES

The Social Committee is holding a night at the Trots on Saturday, June 6. Tickets will cost \$5 each which covers admission, 3-course meal and drinks. They are available from Brian Smith, 18 Queen Street, or Mrs. R. Studley, 47 Queen Street.

ST. PAUL'S DOMINATE SWIMMING CARNIVAL

St. Paul's College consolidated its position as one of the State's leading swimming powers, by winning two out of the three shields at a Catholic Secondary Schools' Swimming Carnival last Friday at Olympic Pool.

This is the second year running that the College has taken off both the Junior and Juvenile Shields. In the Senior Section, St. Paul's once again came second, losing by the narrowest of margins to another Western Suburbs school, St. John's, Braybrook.

St. Paul's has a brilliant record of success in this particular carnival. In 1968, upon entering the competition, the College won the Junior Shield, breaking Clifton Hill's seven year run of victories. The following year, in addition to the Junior Shield it also won the Juvenile Shield, narrowly missing the Senior Section.

The man who has contributed most to this fine record is undoubtedly Mr. Clive O'Connell, who has coached the swimming squad ever since its establishment. This year, however, he was ably assisted by the new Sports Master, Merv Splatt.

In a team as evenly matched as St. Paul's, it is difficult to pick out any individual star. However, perhaps the most noteworthy performance came from Michael Scott, who won every race he entered and in his three years of swimming for St. Paul's has broken nine records at this Carnival alone.

COUNTRY TENNIS SUCCESSES

Several local tennis players entered tournaments conducted at Korumburra and Albury over the Easter.

Most successful were the Kelly brothers, John and Michael, who live in Altona but are members of the Liston-Esplanade Club, Williams-town.

At the South East Gippsland champion ships at Korumburra they won the Men's Championship doubles. Michael won the Men's handicap singles and was runner-up of the Men's championship singles.

Playing with a player from the country club, John was runner-up in the A Grade mixed doubles.

Playing in the same championships, Wayne Thomas of the Altona Club, was runner-up in the Men's B Grade Singles.

At Albury Altona players were runners-up in several of the events.

Pat and Charles Trickey were runners-up in the C Grade mixed doubles.

Geoff Wood was runner-up in the D Grade singles.

John Trickey, Jnr., was runner-up in the Under 19 singles and other events.

Williamstown Ladies Bowling Club

The game of triples played on Easter Saturday resulted in a win for Mrs. E. Howard's team with A. Kilgour and M. Whiffen. Runners-up were H. Paine (c.), D. Bock and V. Jamieson.

The winners on Wednesday, March 25, were D. Radford (c.), V. Potter and V. Jamieson. Runners-up: G. Rea (c.), H. Paine, A. Price and J. Barbour.

On Wednesday, April 1, a win resulted for Mr. H. Jones' team with A. Bevis, McNicholson (NSW) and M. Whiffen. Runners-up: C. Richards (c.), D. Muir, M. Corns and H. Hogan.

Vice-presidents' and Secretary's Day was held on Saturday, April 4, the winners being I. Jones (c.), A. Halbert, N. White and Mrs. Hill. Runners-up: Mrs. Kram (c.), E. Hall, J. Phillips and H. Donovan.

The trophies were donated by M. Quarrier and A. Price. Sunday's mixed interclub resulted in a win for Mr. H. Jones' team, with I. Jones, J. McCabe and P. Ennis. Runners-up: G. Pearman (c.), E. Bird, C. Uren and T. Pearman. The trophies were donated by Mrs. K. Black.

The club pairs competition was won by Mrs. D. Muir and Mrs. T. Pearman.

The season is rapidly drawing to a close and the date for the closing of the green has been fixed for April 22 after the game.

A committee meeting will be held in the club house on Monday, April 13.
